

Enjoy Monday Again

Before you begin sharing the Revii financial opportunity:

- Go to <http://enjoymondayagain.com/memory> and use the sheet to create a list of at least 50 people you will invite to the experience explained in the steps below.
 - After you develop your list of at least 50 people you will invite, go to the section below
-

Talking to your list of at least 50 people:

- Contact the people on your list of at least 50 people & ask them one of the following questions:
 - *“Would you be open the option of making an extra \$100, \$500, or MORE every Monday if it didn’t interfere with your schedule?”*
 - **Note:** You can adjust the question above to include any benefit of the financial opportunity that may be relevant to the person you’re talking too.
- For those who say “Yes” ask them, “How soon can we schedule 10 minutes when you can chat with me and also be on the Internet at the same time, so I can show you our simple system?”
 - Schedule a date/time to be on the phone and Internet together
 - Add the people who say “yes” and schedule an appointment with you to your “Campaign of 20” tracker sheet – <http://enjoymondayagain.com/tracker>
 - Once you have completed your first “Campaign of 20” tracker sheet, go to <http://rlgcontest.com> and follow the steps to enter our cash drawing.
- If they say “yes”, continue to the steps below. If they say “No”, say “Thanks for letting me know. Just curious who do you know that might be open to making some extra cash?”
